RCI Adds Astiti Bali Resort Villas & Spa to Affiliate Network in Indonesia

Singapore (October xx, 2016) - [RCI](#), the global leader in holiday exchange and part of the Wyndham Worldwide family of brands (NYSE:WYN), recently welcomed Astiti Bali Resort Villas & Spa in Bali, Indonesia to its vacation exchange network, bringing a new destination option in Bali to its nearly 3.8 million global exchange members.

“Bali has always been a favourite destination among RCI Members,” said Jonathan Mills, managing director, RCI Asia Pacific. “The exclusive oceanside resort will be a spectacular new option for members planning a vacation to Bali when it is completed. We are delighted to have this beautiful property as part of our network and we look forward to a long and mutually beneficial partnership with Astiti Bali Resort.”

Astiti Bali Resort is located in Lovina, the northern part of Bali that is quieter and more secluded than the central areas of the island. North Bali is popular for its incredible diving and snorkeling spots, and is home to some of the most beautiful beaches, hot springs and waterfalls on the island.

The resort is currently under construction and is expected to open by the end of 2018. Upon completion, there will be 15 private pool villas, each with its own open living room, dining room, kitchen, outdoor shower and sun deck. The resort will also have a swimming pool, on-site restaurants, a fitness studio and a spa facility that will provide guests with a rejuvenating resort experience.

“We are very much looking forward to the completion and future of the resort,” said Noriyoshi Sekine, CEO, Astiti Bali Resort. “We believe that this affiliation with RCI will enable us to provide our members with a wide variety of vacation options, bringing their vacation experience to the next level. We strive to make Astiti Resort a customer centric resort and exceed our customers’ expectations at every touch point. This will include providing warm hospitality, excellent service and comfortable stay.”
