RAMADA RESORT ISLA MARGARITA JOINS RCI

Isla Margarita, Venezuela (October 15, 2010) – RCI, the global leader in vacation exchange and one of the [Wyndham Worldwide](#) family of brands, today announced that Corporación Turisitica Last Wind has affiliated the Ramada Resort Isla Margarita in Isla de Margarita, Venezuela, with the [RCI](#) exchange network.

Expected to open in July 2011, Ramada Resort Isla Margarita will feature 43 one-bedroom units and 37 two-bedroom units, all with kitchenettes. This resort will also feature several pools and two restaurants, reflecting a colonial Caribbean style.

The resort offers 240 yards of beach and is located right next to “Musipan, the Kingdom” theme park, which is based on descriptions and characters created by Venezuelan humorist Benjamin Rausseo. Park visitors can enjoy two water slides that empty directly into the sea and five salt water pools with water slides. The park also features an interactive farm, theatre, four restaurants, ice cream shop and pizzeria.

“Ramada Resort is the first development that serves as a club and theme park, making it a unique addition to the RCI network,” said Jose Olivo, co-owner and director, Corporacion Turistica Last Wind. “We are excited to have affiliated with RCI and look forward to a mutually beneficial relationship.”

“We are very pleased to have affiliated Ramada Resort to our exchange network,” said Ricardo Montaudon, president, RCI Latin America. “This new affiliate offers a great vacation option for our members who would like to travel to destinations such as Margarita Island in Venezuela.”
