

Dear RCI Member,

We have now completed our review of RCI fees for the coming year and we are pleased to tell you that we are holding our membership fees and also simplifying our exchange fees.

Your RCI membership and RCI Platinum membership fees will be held flat for next year, and to simplify our fee structure, we are replacing the different domestic and international exchange fees with a single exchange fee. This single fee will apply to your weeks' exchange, wherever in the 4,500 RCI resorts around the world you choose to holiday with RCI, and you will continue to receive an online exchange fee discount through RCI.com.

All transactional fees will come into effect on 1 December 2015, while membership fees will be effective from 1 January 2016.

You will find a detailed breakdown of your 2016 fees on the next page.

More holiday choice

Every year we try to increase the choice of destinations available to you as an RCI member. In 2015 we added 60 new resorts to our exchange network, including The Grand Palladium Palace Ibiza Resort & Spa, situated on the beachfront of the renowned Playa d'en Bossa in Spain and the Aklandia Resort in Bodrum, Turkey, as well as resorts in exciting new places further afield in Japan and China. There are now over 4,500 resorts affiliated to your RCI exchange network – more than twice as many as our biggest competitor.

As an RCI member you can also access European holidays with our sister companies such as James Villa Holidays, Landal GreenParks, Novasol, cottages4you and Wyndham Hotels – some available as RCI Exchange Holidays, others using your exclusive RCI member cash discounts.

We will continue to invest in bringing you the widest holiday choice possible, together with many other benefits that come with being a member of the largest holiday exchange programme in the world.

More ways to use your timeshare

RCI is the only global holiday exchange company to offer members total flexibility. As a Weeks member, you can combine the weeks you have deposited, use your deposit credits, and take advantage of our Exchange Trading Power sales promotions to get the most from your timeshare ownership. And, with our Welcome Home Comment Card programme, resort quality is assured, as members like you play a huge part in helping us, and the resort owners, to maintain the standards you expect.

Our higher level of membership, RCI Platinum, brings further benefits, giving you more ways to get the best out of your membership. In addition to existing benefits such as priority access to highly demanded destinations, RCI Platinum members can now take advantage of:

- Free Ongoing Searches – go on a waitlist for their dream holiday without paying an exchange fee upfront
- Request to change their Exchange Holiday to another resort in the same location if one becomes available
- Free deposit restore - maximum Deposit Trading Power for weeks deposited nine to six months before the start date of the deposit restored at no cost.
