# RCI WEEKS<sup>®</sup>

## *Understanding Exchange*

*As an RCI Weeks Subscribing Member, you can exchange the week(s) you own for 7-night resort vacations and discounted nightly rates at hotels around the world.\**

### **RESORT EXCHANGE VACATIONS**

Use your Deposit Trading Power to exchange for 7-night stays at 4,200+ affiliated resort properties around the world.

### **HOTEL SAVINGS**

Members receive a Best Rate Guarantee at more than 600,000 hotels around the world. You can save even more when you use Deposit Trading Power to lower already discounted rates.<sup>2</sup>

#### **HOW TO EXCHANGE:**

Start searching for your next destination online at RCI.com or call an RCI Travel Guide.

#### **WHEN TO EXCHANGE:**

You can book your trip up to 2 years in advance. Take advantage of your time and book early, especially if you're looking for a resort vacation during highly sought-after dates or destinations.

#### *Travel Guide Tip:*

#### **Multiple Getaways. One Deposit.**

Book an exchange vacation that requires less Deposit Trading Power than your deposit is worth and receive a Deposit Credit that you can use toward a second getaway of equal or lesser value than the credit.

# DEPOSITS

*Understanding How  
and When to Deposit*

# DEPOSITS

## *Understanding How and When to Deposit*

### **WHAT IS A DEPOSIT?**

When you decide you're not traveling to your home resort for any given week and year, you deposit it into your RCI® account so you can exchange for another vacation.

### **WHEN TO DEPOSIT?**

You should deposit as early as possible – up to 2 years in advance of the check-in date of the week you own. Depositing early ensures you are able to use your full Deposit Trading Power.

### **HOW TO DEPOSIT?**

The first step is paying your maintenance fees to your home resort and then determining if you have fixed or floating weeks.

#### **FIXED WEEK:**

If you own the same unit and week at the same resort every year, you own a fixed week and can typically deposit on RCI.com as soon as you've paid your maintenance fees to your home resort.

#### **FLOATING WEEK:**

If the unit, week or resort that you own vary each year, you own a floating week and will need to get an assignment from your home resort before you can deposit.

The easiest way to learn how to deposit your vacation time is to call an RCI Travel Guide.

# TRADING POWER

---

*Get the Most out of Your  
Deposit and Exchange*

# TRADING POWER

*Get the Most out of Your  
Deposit and Exchange*

When you deposit your week, RCI assigns it a trading power value, known as Deposit Trading Power. During the exchange process, your Deposit Trading Power is compared against the Exchange Trading Power of all available exchanges.

## **DEPOSIT TRADING POWER**

is the value assigned to your vacation week upon depositing with RCI.

## **EXCHANGE TRADING POWER**

is the value assigned to all resort inventory available for exchange in the RCI® system.

### Deposit Early to Maximize Your Trading Power:

<b>9 months to 2 years</b> (271 days +) before check-in	
Percentage Of Trading Power Retained.....	100%
<b>6 to 9 months</b> (181 to 270 days) before check-in	
Percentage Of Trading Power Retained.....	95%
<b>3 to 6 months</b> (91 to 180 days) before check-in	
Percentage Of Trading Power Retained.....	90%
<b>1 to 3 months</b> (31 to 90 days) before check-in	
Percentage Of Trading Power Retained.....	80%
<b>15 to 30 days</b> before check-in	
Percentage Of Trading Power Retained.....	60%
<b>14 days</b> or less before check-in	
Percentage Of Trading Power Retained.....	45%

#### *Travel Guide Tip:*

Combine Multiple Deposits. If your Deposit is expiring, consider combining it with another deposit on your account to increase your Deposit Trading Power and extend your time.<sup>8</sup>
